If your degree GPA is a 3.5 or higher you will need to submit:
- Shared Credit Application
- MSME Worksheet

If your degree GPA is 3.0 to 3.4999 you will need to submit:
- Shared Credit Application
- MSME Worksheet
- PLUS, a letter of recommendation from your faculty advisor sent to your academic advisor.
- PLUS, a personal statement indicating reasons for interest and suitability for the Shared Credit Program.

**Shared Credit Application:**
- Section I is self-explanatory to complete most of the information needed. The “Program/Degree” GPA is listed on the LoboTrax degree audit alongside the BSME Sr. Design or FSAE option roadmaps.
- Section II make sure to read this information and if you have questions ask your academic advisor. Initial each statement to indicate that you understand and agree.
- Section III is self-explanatory.

**MSME Worksheet for Shared Credit:**
- Review the Graduate information on the Graduate Studies & ME websites.
- Complete the top two lines with your information.
- Previous semester class schedules in the Registration Portal may provide information as to when courses are offered to help complete the rest of the worksheet.
- List the semester and the year you plan to take each course, i.e. F/24, Sp/24, etc., for every course.
- Indicate the course number and the credits hours of the courses your plan to take.
- Indicate the course name of the courses your plan to take.
- Check mark “✓” if the course is a Graduate Core course.
- Indicate when you plan to take Graduate Seminar courses (ME 591 & 592).
- Indicate when you plan to take Thesis hours or Design Project hours (Plan 1 or Plan 2).
- Total (add up) the hours you have listed- it must match the plan you indicated.
- Please remember, this is a tentative plan. It is not set in stone. Once accepted into Shared Credit you can decide to take a different class – consult your advisor though! And once admitted to the MSME program, your choice of Plan and courses can change AND THAT IS OKAY!

**Letter of Recommendation (if needed):** Have your faculty advisor email it to your academic advisor

**Personal Statement (if needed):** Submit with your packet

**Submit via email a complete packet to your academic advisor by the deadline dates noted above.**
Shared Credit Application

SECTION I: Complete each of the following sections. Complete all the information areas

____________________________________________________________  ______________
Student’s Last Name, First Name  UNM ID #

____________________________________________
UNM Email  Estimated BSME Graduation Sem/Yr.

Current BSME Track (check one): ____Sr. Design or ____ FSAE

Proposed MSME Degree Plan (check one): ___Plan I  ___Plan II  ___Plan III (including Space Systems ONLINE ONLY)

Program/Degree GPA - this GPA can ONLY be found on your LoboTrax Degree Audit ____________.

SECTION II: Place your initials next to each of the following statement indicating you understand and agree to the following SoE Shared Credit Program: ME Policy & Procedure

____ A maximum of 12 hours of approved graduate-credit- eligible courses may be taken in undergraduate status and applied again (shared) to the graduate degree.

____ All courses taken for Shared Credit must have a grade of “B” or higher to count in BSME and MSME.

____ Initially, these courses are placed on the transcript at the undergraduate level. When the student’s Program of Studies form is processed via Graduate Studies for the MS degree, the “shared” course graduate level designation is added to the student’s transcript.

____ The BSME degree is awarded when it is completed.

____ Students must be admitted to the graduate program the semester immediately AFTER they complete the BSME degree.

____ Time-to-degree for the graduate portion of the program begins in the senior year of the undergraduate degree. Standard Graduate Studies Leave of Absence policy and re-admission procedure apply to students in Shared-Credit Programs. However, upon re-admission the student is no longer eligible for the Shared-Credit Program and courses taken while an undergraduate will not be applicable to a graduate degree.

____ Admission to the Shared Credit Program is not an automatic admission to the ME Graduate Program. Students are required to formally apply to the ME Graduate program yet exempt from taking the GRE, and will be reimbursed the application fee.

SECTION III: Please read the following statement and sign that you agree and want to move forward with the review of your application.

STUDENT: I certify that I have read and understand the SoE Shared Credit Program: Mechanical Engineering policy as indicated by my initial in Section II. My faculty advisor and I have discussed the Shared Credit Program and at this time feel it is a good fit for my academic and career goals.

Revised May 2022
For MSME course requirements, review the ME website: [https://me.unm.edu/students/graduate/index.html](https://me.unm.edu/students/graduate/index.html).

Pay specific attention to the sections on Graduate Core and the MS Degree.

List the courses you plan to take in your graduate degree, including the courses that will be “shared” with your BSME degree. Students may “share” up to 12 credit hours (approximately 4 courses that will be applied to your ME Electives/ME Tech Elective requirements in the BSME). These courses will require you to earn a final grade of B or higher. All planned courses are just that, “planned”. Plans can change after your accepted/admitted.

In this section list the ME 500 level courses you plan to take as Shared Credit to count toward both degrees:
